Tea Selection

Green and White

Fuji-yama
A green tea for connoisseurs, grown near Mount Fuji. Its fine leaves, grand aroma, and subtle taste indicate its outstanding quality.

Jasmine Pearls
This small, artisanal production is completely crafted by hand. The precious jasmine is plucked early in the morning then sculpted to the young, organic tea buds so as to nourish them of their floral perfume.

Thé à L’Opera
A distinguished green tea has been enriched with the subtle fragrance of red berries and precious spices.

Thé de la Longévité
This white tea comes from the Chinese province of Fujian and is extremely rare. Its young, fresh, taste is marked by hints of apricot, anisette, and highly delicate vanilla.
