THE CONNAUGHT BAR GIN

Born, blended and bottled in Mayfair

To mark its 10th anniversary at the heart of the London bar scene, The Connaught Bar is celebrating the past while enjoying a taste of the future with the unveiling of its very own crafted-in-house gin. Fronted by master mixologist Agostino Perrone, every element of this one-of-a-kind spirit has meticulously been created at the heart of The Connaught. With a nod to traditional gin methods but a character all of its own, its singular blend of botanicals is inspired by a decade of cocktail craftsmanship.

The multi-award winning Connaught Bar designed by David Collins Studio and known for its landmark cocktails and daring new mixes, has truly become an institution for cocktail lovers.

An established classic London gin recipe forms the foundation of the Connaught Bar Gin blend. Its base botanicals are drawn from the classics: hand-crushed juniper berries, coriander seeds, liquorice, angelica root and orris root. Three unique botanicals distinguish this Gin: the famous Amalfi lemon, renowned for its sweet flavour and served with The Connaught Bar's celebrated martini, the exotic and spicy mace blade and red wine from the vineyards of Bordeaux.

THE CONNAUGHT BAR GIN

50ml

A round and fresh juniper notes on the nose is followed by a sweet citrus and green herbal aromas, on the palate the Juniper is still predominant, with warm spices and mouth filling lemon with a presence of mineral flavors and wild red berries.
